Hello Everyone,

Great and exciting news from Accentuate Within!!! Starting August 1, we are partnering with Cleveland Clinic. We will be available to see patients at two locations: Avon Lake and Elyria.

We feel that this partnership will enhance our ability to deliver on our mission of providing you with the best cosmetic and plastic surgery experience possible, now and in the years to come. We want you to know that we remain committed to our medical practice values. You will receive the same excellent service and warm hospitality that have been the hallmark of Accentuate Within.

We will continue to offer you one of the most requested cosmetic surgery procedures - Smartlipo Laser Liposuction. In fact, we have just adopted its latest advancement, Smartlipo TRIPLEX, which is designed for improved "fat-melting," improved patient contouring, and faster procedure time. This will be available through us at Cleveland Clinic Elyria.

In celebration of our new partnership, we've decided to have a "Moving Sale." **ALL skin care cosmetic products will be 15% off while supplies last.** The sale will last from July 19-23, 2010. Sale product lines include Obagi®, Kinerase®, Vivite™, Prevage™ MD, Colorescience® and Elta MD™. For more details, call Paula or stop by our current office.

Beginning August 1, we'll also provide skin care products at our new locations, which are listed here along with our new appointment number:
